Paint Finish

A three-stage pre-treatment and phosphate coating are applied. Carcass and drawers are powder-coated with one coat of epoxy polyester full gloss powder, stoved at 180deg, including our germ guard anti-bacterial compound.
The product features a powder-coated carcass, Light Grey RAL 7035. With the drawer front colour options being, Dark Grey RAL 7024, Green RAL 6024, Blue RAL 5017 or Red RAL 3003.

Cleaning & Maintenance

Clean paint work periodically with warm soapy water or foaming cleaner. Oil hinges and lock sparingly as required with a light oil (3in1 or similar).
