

# Beaverswood®

## Multi-Document Holder

The Multi-document Holder has been designed to provide a convenient and secure way to store your important papers. This high-capacity file can hold up to 20 standard A4 sheets, making it perfect for keeping essential documents organised and easily accessible, wherever you work!

Constructed from durable PVC, this sturdy box file offers maximum protection for your documents. The U-shaped opening allows for effortless insertion and removal of papers, without the need to lift the front cover.

The magnetic fixing offers a quick, reliable attachment to any metal surface, ensuring your files are always within reach. Whereas, the self-adhesive fixing offers a more permanent solution that will adhere to any smooth, sealed surface.

## Features and Benefits

- Large storage capacity document holder.
- Holds up to 20 A4 standard sheets of paper.
- Built to protect important documents where you need them.
- U-shaped opening for easy access.
- Magnetic fixing for quick, easy relocation.
- Self-adhesive fixing for a strong, permanent solution.
- Available in packs of five.
