

## Plastic Kick Steps

**Round Block** Ref: [RW0147](#)

**Ext dims:** 465dia x 310h (mm)

**Weight:** 4.5kg

**Load Bearing:** 180kg

**2 tread block** Ref: [RW0148](#)

**Ext dims:** 425w x 580d x 355h (mm)

**Weight:** 7.0kg

**Load Bearing:** 180kg

**3 tread block** Ref: [RW0149](#)

**Ext dims:** 500w x 600d x 700h (mm)

**Weight:** 11.5kg

**Load Bearing:** 180kg

- Health and safety product, ideal for industrial or domestic use
- Each size can take a load of up to 180kg
- Manufactured from tough, medium density UV stabilised polyethylene
- Resistant to most chemicals making them suitable to wash down applications and wet/corrosive environments
- Will not break or crack and can be left outside at all times
- Space saving – nestable up to seven high
- Moulded-in tread makes for safe use and handles ensure easy carrying
- Available in the full colour range
