FIRECHIEF® SMOKE ALARM 10 YR SEALED BATTERY

FIRECHIEF®
making the world a safer place

MODEL: FBSD10

This smoke detector has advanced photoelectric sensing technology and a red LED alarm status indicator, ensuring prompt detection and warning of a fire.

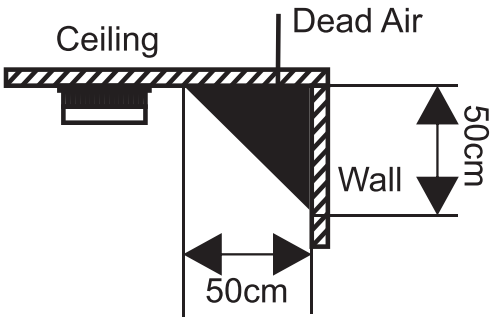

Designed for residential use, it features a low battery warning and an easy-fit base mount, meaning it can be installed quickly and maintained easily.

What do I need, and where?
Based on current best practice, and ongoing legislative reforms, the Firechief® Home Safety Team recommends that you should:

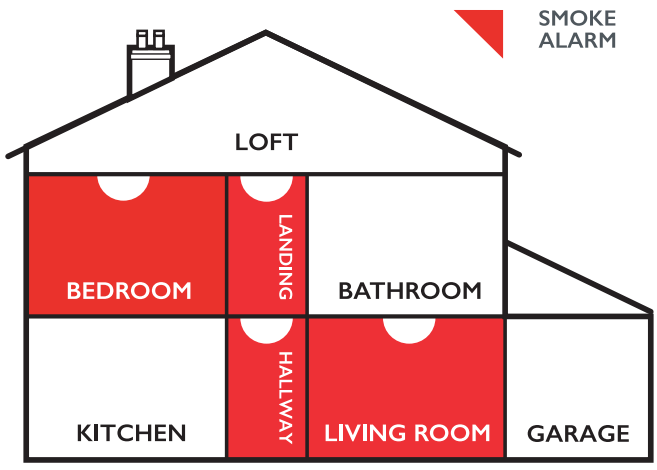

Install Firechief® smoke alarms in the rooms most frequently used during the daytime, such as living rooms, dining rooms, and bedrooms.

Install Firechief® smoke alarms in every circulation space on each storey such as hallways and landings.

INSTALLATION
