WHEELED SITE STAND

FIRECHIEF®
making the world a safer place

MODEL:
SVP1

The two part design of this wheeled site stand makes it a practical option for those who need to store it when it's not in use.

- Back plate for signage
- Can be fitted with bell or other site alarm
- Integral wheels for easy movement on site
- Stable storage of extinguishers
- Corrosion resistant epoxy polyester powder coated finish
- Bracket to support equipment in transport
- Steel mainframe construction for maximum strength
- Light weight
