FIRECHIEF® FLAT-PACK WHEELED SITE STAND

FIRECHIEF®
making the world a safer place

Engineered for temporary and semi-permanent site safety applications, the Firechief® Flat-pack Wheeled Site Stand features a durable modular structure with integrated mounting points. The wheeled site stand provides a dependable base for vital fire safety equipment, keeping alarms and notifications clearly visible wherever work is underway. Built to handle tough environments while making logistics effortless.

MODEL:
FPSSR

The modular panel design makes it easy to customise with various fire safety equipment.

Suitable for use with:

- Up to three fire extinguishers
- Double Extinguisher Cabinets (HS72, HS72K, FCDC92 & FCDC92K)
- Rotary Hand Bell (RHB)
- Sitewarden RF Pro (FSP500)
- Howler Alert Alarm (HSA1)
- Sitewarden Call Point Alarm (SP100)
- Various fire safety signs
