BREATHING APPARATUS CABINET

FIRECHIEF®
making the world a safer place

MODEL:
HSB72

This breathing apparatus cabinet has a prominent design to draw attention to it in emergencies. It is commonly used to store breathing apparatus and other escape equipment. It's rotationally moulded design and the neoprene seal make it strong and weatherproof for outdoor usage if required.

- Prominent storage design
- Neoprene weather seal
- Inspection panels in door
- Available with integral cabinet alarm
- Suitable for wall, post or floor mounting
