FLC08Z

FORK POCKET FOR ECONOMY RANGE

Simply lift the bar on the side of the cage once the fork has been entered. The brace at the rear of the mechanism will then swing, fitting neatly behind the heel of the fork tines, securing the cage to the fork lift

- Robust fully welded construction
- Complies with Health & Safety guidance note PM28 - 4th Edition. Units are supplied with a user guide
- Fits quickly & easily to the majority of fork lifts
- Safety gate opens inwards, closing automatically through the use of a tension spring loaded retention latch
- Non-slip floor plate with a high kick plate
- Various safety features including: internal grab rail, safety harness anchor point, drivers warning plate
- High visibility yellow finish
- Front opening gate
- Full height mesh rear guard
